

Bob earned his Bachelor of Architecture from the University of Texas at Austin in 1992 and has been with the firm for over 8 years. During his time in school, he studied in Europe for 6 months having been awarded the London/ Lugano Travel Abroad Scholarship for demonstrating excellence in design. Working in several disciplines, Bob has been project architect/ lead designer on projects ranging from very large commercial, municipal, historic preservation, prototype retail design, hospitality and client based single family residential. Bob received his LEED accreditation in 2006 and has served as the team LEED member for Rowlett Fire Station No. 2. Bob is active in the Dallas AIA chapter acting as committee chairman on several committees and has been a member of the AIA leadership Team for several years.

Bob is interested in the architectural process from its earliest conceptual design stages, through construction drawings and administration, to owner occupancy. These interests allow him to interact closely with builders and owners to achieve a true collaborative project.
